

SOCIAL AND ECONOMIC ACTION FOR LEBANON

- Over 50 projects funded throughout Lebanon since inception
- Recent projects include:
 - distributing fruit trees
 - building a water well
 - completing an irrigation canal
 - sponsoring computer literacy classes
 - funding a women's agricultural coop
 - supporting the financial independence of mentally-disabled young adults
- Assistance provided to people irrespective of their background, religion, political affiliation or geographic location
- Full transparency

Your financial contributions make a significant impact on entire communities. With a large number of initiatives for 2009, we hope that you will continue supporting our efforts.
